

New quarantine regulations! Very important!! Please read carefully! [If you decide to come to Taiwan, please follow the following instructions:](#)

1. Please bring the covid-19 report which is tested **within 3 days before the departure date.**
2. The school would make an arrangement and take the quarantine taxi for you from the airport to the quarantine center, but you need to **pay transportation fee by yourself.**
3. Students come to Taiwan must live in quarantine center **for 14 days.** (This quarantine center fee should be paid by yourself, and it would account around NTD 1500 per night, total is NTD 21000. Pay at the cashier section in Asia University after the end of quarantine)
4. **On the thirteenth day,** you will **take the covid-19 test in the quarantine center.**
5. If you are tested negative after the covid-19 result comes out, you could leave the quarantine center after finalized the 14 days' quarantined. But you still have **7 days self-health management.** Please wear mask and keep the social distance of the public.
6. From the quarantine center to Asia University, Vivi will make an arrangement for you to take multiple taxi back to school, but you need to **pay transportation fee by yourself.**
7. **If you need a place to stay, please come to school dormitory for 7 days self-health management and the school will arrange the room for per person per room.**
8. After 7 days self-health management, if you want to live in school dormitory, please come to IC to fill in dorm application form. **Or** download the dormitory application form by yourself: <http://ciae.asia.edu.tw/dormitory-application/>
